

## Institutional Distinctiveness

Navjeevan Education Society's Navjeevan Law College is established in the year 1999. It is the 2<sup>nd</sup> law college in the Nashik. The Law college is situated in CIDCO area where the main locality is of laborers working in nearby industrial areas. Looking to the need and importance of higher education, Navjeevan Education Society the parent organization has decided to establish the law college in the present area. Law is need of today's society. The knowledge of law is essential for each and every person living in India. To provide the quality legal education the management has given green signal for this law college. Adequate infrastructural facilities are provided by the management and good and knowledgeable teachers are appointed for imparting legal education. Students are given all modern facilities along with good library, computer internet facilities, personality Development Programmers, English language and communication skill programs are conducted to acquire the student who is having English language problem. Our Alumni always visit the institution and give full support to the pass out students desiring to practice in court of law. As the law college is aided by Maharashtra government, students are provided all the facilities including scholarship, Freeship, Earn and Learn Scheme etc.

Students are always motivated to participate in various curricular and extra-curricular activities in Nashik and other places also. As every student is treated to be a separate individual, college gives special attention to each and every student. Irrespective of his economic and social class every student is given special attention while completing his law course. We are very happy that because of all the teaching and Non teaching staff our result is quite encouraging to that of the other law colleges in the city.
