

NAVJEEVAN LAW COLLEGE, NASHIK

Institutional Distinctiveness

To provide quality and value based legal education is primary motto of Navjeevan Law College. Merely completing the syllabus is not sufficient but the quality of the education is also matters. At the one hand the teachers always try to reach each and every student and according his grasping ability teach the subject and on the other hand he always tries not to compromise the quality of the legal education. The quality of legal education is always maintained by providing an up to date knowledge with practical oriented aspect. Uses of technology such as projector, computer, internet, PPT are the common modes for the teaching purpose. Along with technology a value based education is the need of today. Navjeevan Law College always arranged the various programs like celebration birth and death anniversaries of great personalities. The attendance of the student is made compulsory for Independence Day and Republic Day functions. Navjeevan Law College is having a unit of National services scheme (NSS). The prime object of national service scheme is to inculcate in to the students the social responsibility and to serve for the country. It also helps for the overall development of the students. Special lectures are always arranged for the students on Constitution day, Human Rights day, Professional ethics, Consumer day etc. To sensitize the students and the people at large road safety awareness rallies and programs arranged. The mission of the law college is not restricted to supply the advocates to the society but to provide a good human being and “To offer to society Makers and upholders of Law Instating the Virtues of Integrity, Loyalty and Social Values”.
