Institutional Distinctiveness

7.3 Institutional Distinctiveness

Every year the Navjeevan Law College with the assistance of Savitribai Phule Pune University under the Quality Improvement Program (QIP) organize State Level Seminar on the various topics. In the academic year 2018-19 the seminar on the “Vulnerable and Disadvantaged groups vis-à-vis criminal justice- a human rights perspective” Dr. Dilip S. Ukey Vice chancellor National Law University Mumbai inaugurated the function. Many renowned resource persons from various university and government departments attended and address the gathering. The research papers are also presented by the teachers and the students. Such type of events will be helpful for the students to know the various angles of a particular law and its practical application in the society. They also learn the presentation and communication skill and use of technology in the successful finishing of the event. It is pertinent to note that from last 5/6 years the college has organized the various seminars on the topics such as “Changing Dimensions of Intellectual Property Law in India,” “Professional Negligence and Consumerism”, “Role of Police in criminal administration” etc.
