

Library :-

A separate register is maintained for the issuing and returning of books. A student /teacher can get a book from the library for research work on making a special request to the librarian. A Librarian advisory committee has been formed for the proper maintenance and updation of the library. Various national journals are subscribed by the institute for students welfare. Online databases is also available in the library. Computer Lab with internet facility is available for all students and faculty members. We have some other reading material for preparation of Judicial Magistrate First Class Exam and All india Bar Council Exam. We subscribe different news papers including English and Marathi which became helpful for students to make them knowledgeable. The Library timing is from 9.30 am to 5.00 pm during the period of examination library opens at 9.00 am and closes at 6.00 pm

Sports:-

The College gives equal importance to physical development of every student and hence it has separate Sports and Physical Education department. Assistant Professor Samir Chavan is in-charge Director of Sports and Physical Education. The in-charge director attends meeting of Nashik District Zonal Sports Committee in the beginning of every academic year to decide venue and dates of events. The College displays schedule of various events to be held in academic year, interested students give their names for the participation in different sports events. The College has its cricket team, volley ball team, kabaddi team, badminton etc. The college has facilities of other indoor games like table tennis, carom, chess etc. The institute celebrates Sports Day very enthusiastically every year and is observing 'Fit India Movement' and 'International Yoga Day' regularly.

Now the Sports and Physical Education has become the integral part of Curriculum and there is qualifying exam for students. The College invites the external Director of Sports and Physical Education and conducts exam every semester and submits online grade to the university.

Classroom:-

The Institute is Concerned about the updation of computers and up to date classrooms. For the maintenance of computer a separate employee is appointed Before the commencement of each semester, all the classrooms are checked and necessary repairing of benches, fans any ICT based facilities is done. Cleaning the campus for maintenance and cleaning purposes, housekeeping contract is given to the Universal Security Services; Separate budget is always fixed every year for the maintenance of the system.
