गाड़ियों की नियमित देखभाल:

- टायर में हवा के दाब की जाँच करें।
- गाड़ी में इंजन और ऑइल के स्तर की जाँच करें।
- गाड़ी के हेडलाइट, टेललाइट, ब्रेकलाइट, इंडिकेटर और रिफ्लेक्टरस कार्यरत हैं इसकी जाँच करें।
- गाड़ी स्थिर अवस्था में होने पर इंजिन चालु ना रखें।
- क्लचपर पाँव रखकर गाड़ी ना चलाएं।
- जरूरत पड़ने पर ही गाड़ी में ए.सी. का प्रयोग करें।
- गाड़ी की सर्विसिंग नियमित रूप से करें।

Supported By

Road Safety Tips

- Don't use mobile phone while driving
- Belt up in the back
- Slow down
- Watch out for your kids
- Take frequent breaks (especially in long travels)
- Observe other road users (use your mirrors regularly)
- Keep proper distance
- Do not drink alcohol while driving
- Maintain your vehicle in optimum performance

Supported By

Road Safety Slogans

- Drive slow, go back home, or drive fast and **hell awaits you**
- You can meet every need by maintaining **normal speed**
- If you think you are best driver then you **better be aware**
- Rash driving is thrilling but **leads to killing**
- Drop down your speed, because you are your **family's need**
- Better be alert today so that you can **live tomorrow**

Supported By

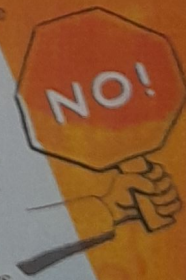

Do's

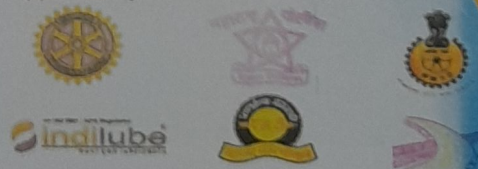

- Be courteous and try to avoid frustrating other road users
- Always use your indicators even if you haven't noticed anyone else around
- Use your horn to let people know you are there if you are coming up to a blind corner/summit on a narrow road

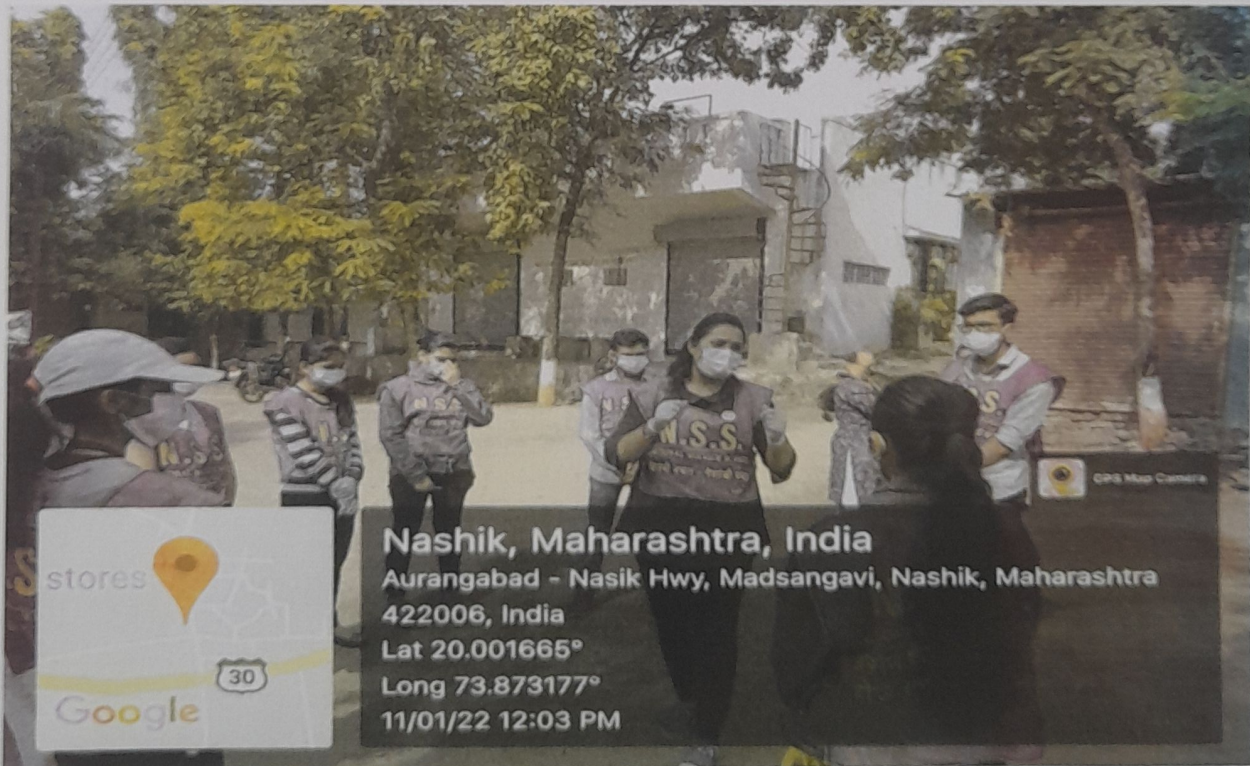

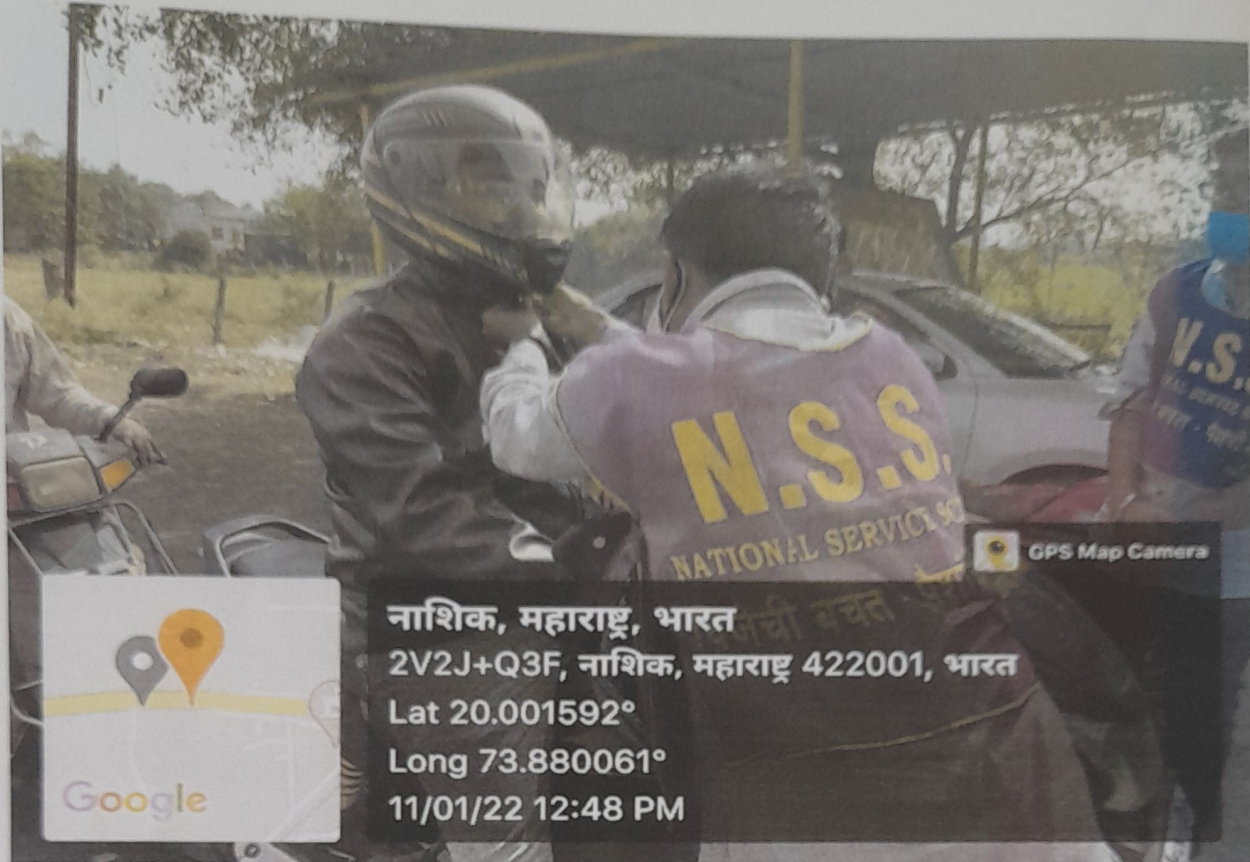

Don'ts

- Don't get too close to other road users
- Don't assume that other road users are going to do what you expect them to do; the roads can be unpredictable
- Don't get upset about the behaviour of other road users; it can distract you and cause you to make poor driving decisions
