1.The chairperson of the committee I/C Principal Dr.S.S.Inamdar welcomed all the members present in the meeting.

2.Some of the students reported their grievance regarding the irregular classes conducted by the C.H.B teachers. The committee review their grievance and decided to give warning to the C.H.B faculty members and to attend the classes in their respective timings.

3. It is also resolved that in every program more and more participation will be provided to the students from arrangement to vote of thanks.

4. Some of the students, they urge for the less number of marks given to them in internal examination and hope the administration and management will take serious note of the same and proper marking will be done by the concerned teachers. After discussing with the concerned teachers it was found the students allegations were baseless and no need to take any action regarding their grievances.

5. It is also decided that in the light of coming of NAAC Committee peer team visit students involvement should be increased and more and more students should be involved in this NAAC process as they are the most important share holders.

6. The meeting was concluded with vote of thanks.
